SCRAMBLED EGGS

Scrambled eggs is a dish (typically breakfast) prepared by stirring eggs in a heated pan/skillet while adding salt, butter and other favorite ingredients (such as milk, pepper, cheese, seasonings, etc.).

While there are various methods used to prepare scrambled eggs, the key components in the process are: 1) scramble your eggs, 2) stay focused while the eggs are being cooked, and 3) prevent burning of the eggs.

Let's see how the common practice of scrambling eggs can become a prayer – "SCRAMBLED EGGS PRAYERS"
