DEEPER THINKING/PRAYER: In Daniel 5:27, the life and leadership of Belshazzar was “weighed” (an estimate of his character and actions was taken). In essence, God used the prophet Daniel to ask “How much do you weigh?” He was asking Belshazzar to take a spiritual inventory of himself.

How much do you weigh? On God's "scale", what attributes (contents/characteristics) would be found in you? Hope, grace, faith, joy, peace, love, long suffering, strength or anger, pride, bitterness, resentment, un-forgiveness, hurts, fear, sin.
